

FAISAL ALJUDAYI

Operations & Analytics Professional · Saudi National
+966 530 016 166 · faljudayi@outlook.com · Riyadh, Saudi Arabia · [linkedin.com/in/faljudayi](https://www.linkedin.com/in/faljudayi)

PROFESSIONAL SUMMARY

Operations and analytics professional with 8+ years of experience across aviation, logistics, and e-commerce. At Amazon, progressed from training design into workplace safety, building digital inspection systems, and delivering data insights to senior leadership. Co-founded a marketing agency managing end-to-end client campaigns and business operations. Skilled in SQL, Power BI, and Python, with a strong focus on turning operational data into actionable improvements. Fluent in Arabic and English.

PROFESSIONAL EXPERIENCE

Workplace Health & Safety (WHS) Officer

Amazon · Riyadh, KSA · December 2025 – Present

- Conduct daily WHS inspections and audits, identify hazards, perform risk assessments, and drive corrective actions across a large-scale operations facility.
- Built the RUH8-FC digital safety inspection system with automated checklists, corrective action tracking, and Power BI KPI dashboards for real-time leadership visibility.
- Analyze WHS datasets using SQL, Excel, and Power BI to surface injury trends and near-miss patterns, presenting findings directly in senior leadership reviews.

Learning & Development Associate

Amazon · Riyadh, KSA · April 2025 – December 2025

- Designed and facilitated operational training programmes, improving team competency and professional readiness.
- Mentored new associates on safety procedures and operational workflows; developed materials aligned with Amazon Leadership Principles.

Co-Founder

Aljudayi Marketing · Riyadh, KSA · November 2023 – December 2024

- Co-founded a digital marketing agency specializing in Snapchat advertising for SMBs across Saudi Arabia.
- Planned, launched, and optimized paid ad campaigns, managing budgets and performance metrics to maximize client ROI.
- Handled the full client lifecycle from acquisition and onboarding through to reporting and retention.

Cabin Manager / Guest Director

Saudi Airlines · Riyadh, KSA · October 2021 – September 2023 · B777 · B787 · A330 · A320/321

- Led and supervised cabin crew teams on international routes, ensuring premium hospitality standards and full GACA/ICAO safety compliance.
- Managed emergency response, passenger safety briefings, and HAZMAT/Dangerous Goods protocols on wide-body and narrow-body fleets.
- Mentored and formally evaluated junior crew members; consistently exceeded guest satisfaction targets with recognition for service excellence.

Cabin Crew Member

Saudi Airlines · Riyadh, KSA · March 2018 – October 2021

- Delivered high-quality passenger experience on domestic and international routes; maintained full aviation safety and regulatory compliance. Awarded Best in Grooming and Appearance by Saudi Airlines.
- Promoted to Cabin Manager based on exceptional performance and leadership maturity; recognized for excellence in professional presentation and brand standards.

EDUCATION

Bachelor of Computer Science — First Class Honours · GPA: 4.96 / 5.00

Shaqra University · Saudi Arabia · May 2017

Member, Arab Council for the Gifted and Talented

KEY PROJECTS

RUH8-FC Digital Safety Inspection System · *Amazon* · *Feb 2026*

Designed and built a digital safety inspection system, replacing paper-based processes with automated checklists and corrective action tracking. Integrated Power BI KPI dashboards providing real-time visibility into inspection completion rates, open action items, and recurring hazard patterns.

WHS Analytics Dashboard · *Amazon* · *Jan 2026*

Analyzed workplace health and safety datasets using SQL, Excel, and Power BI to surface injury trends and near-miss patterns; dashboards presented directly in senior leadership reviews.

Airbnb Market Analysis · *Personal Project* · *Jan 2025*

Built an interactive Tableau dashboard visualizing pricing trends, revenue patterns, and geographic performance from cleaned listing data.
